
Please wash your Dishes in less than 12 hours or Do it right after you finished doing your thing in the kitchen. F all that first 48 SH!t. That's why we have all them fruit flies in the house or the kitchen is always a mess. If any of your friends use a dish make 'em wash them too.

If you don't like what I said: you
can come see me, I Ain't FAR I'M
NEXT Door
